DeKalb County Celebrates Community Achievement Center Grand Opening

DECATUR – DeKalb County CEO Burrell Ellis, along with Commissioners Larry Johnson and Connie Stokes and Congressman Hank Johnson, joined members of Kappa Alpha Psi Fraternity, Inc. and Delta Sigma Theta Sorority, Inc., and other DeKalb County stakeholders on Saturday, June 5, 2010 for the grand opening of the Community Achievement Center (CAC), 4522 Flat Shoals Parkway in Decatur.

“I encourage our community to engage in the free service projects that CAC offers to assist our citizens in developing themselves to their full potential,” said CEO Ellis. “By improving the development of our citizens, we improve the quality of life in our community and ensure we enjoy healthier and more productive lives.”

Established in 2007 as a collaborative effort between Delta Sigma Theta Sorority and Kappa Alpha Psi Fraternity, CAC’s mission is to provide opportunities for people to improve the quality of their lives; develop an outreach program that enriches the lives of senior citizens; assist in the overall educational development of low-to-moderate-income families; develop a technology center for inner city youth; and serve as a resource for various community-based organizations.

Grand opening events included a ribbon-cutting ceremony, health fair, and guided tours of the facility, along with face painting, story telling, and an author’s corner.
